

**NOTICE OF RIGHTS UNDER
THE AMERICANS WITH DISABILITIES
ACT (ADA)**

In accordance with Title II of the Americans with Disabilities Act of 1990 (ADA), the Arizona Department of Corrections, Rehabilitation and Reentry (ADCRR) will not discriminate against qualified individuals with disabilities based on their disability in access to services, programs, or activities.

Effective Communication: ADCRR will provide appropriate auxiliary aids and services to allow for effective communication for qualified individuals with disabilities. This may include sign language interpreters, documents in Braille or other appropriate alternative formats, and/or assistive technology, which may make information accessible to individuals who have speech, hearing, or vision impairments.

Reasonable Accommodations/Modifications: ADCRR will provide reasonable accommodations and make reasonable modifications to policies, practices, and procedures to ensure that individuals with disabilities have an equal opportunity to participate in all of its programs, services, and activities.

Requests: Individuals with disabilities may request auxiliary aids and services and reasonable accommodations or modifications by submitting a *Request for Accommodations/Modifications* to the Facility ADA Coordinator. Individuals who have difficulty in communicating, understanding, or filling out a *Request for Accommodations/Modifications* should contact their CO III or other designated staff for assistance.

Individuals with additional questions, concerns, complaints, or requests for information regarding ADCRR’s compliance with the ADA may contact the Facility ADA Coordinator or ADCRR’s ADA Administrator.
